Comments: Book your showing now! Cottages in Little Echo Bay rarely come available and if you come to see this one you'll know why. Very clean water, small group of neighbours and very sheltered location on the west end of Echo Bay with calm water and minimal traffic. This cottage sits on a 1.17 acre lot owned to the highwater mark of the lake with 252 feet of frontage and great viewing peaking across the bay and out into Echo Bay. It's low and gentle profile make walking around the property and getting down to the dock very easy. At the water you'll find a superb boat port with 2 slips, 32' x 12' and 24' x 10'-6" each with hydraulic lifts, and a large rooftop deck ready to lounge and catch some rays! View by appointment only. The adjacent property is also for sale and could be purchased together. Inquire.
